FILMING AT ATLANTA'S URBAN OASIS

options are endless

NESTLED ON 30 ACRES in the heart of Midtown, the Atlanta Botanical Garden offers breathtaking beauty, diverse settings, and convenient access for photography and film projects. Located next door to Piedmont Park, the Garden has a stellar reputation for accommodating crews large and small with shooting everything from marketing materials and fashion magazine spreads to television commercials and major motion pictures.

Intimate walled Japanese Garden

Formal gardens with English, French and Italian influences

Day Hall for interior scenes or catering

Skyline Garden's spectacular views

Rose Garden perfect for weddings

Two large conference halls with dining space

Tropical rainforest and orchid house

Contemporary visitor center and meeting room

Soaring Canopy Walk above woodland trails winding through some of the city's oldest hardwood trees
