

Grilled Fish Tacos with Spicy Avocado Sauce

2 garlic cloves, 1 minced
3 T extra virgin olive oil, divided
2 fresh limes
1 tsp Spike seasoning
1/2 cup plain Greek yogurt
2 chipotle peppers in Adobo sauce
pinch of sea salt
1 lb tilapia or other firm white fish fillets
10 (6-inch) corn tortillas, warmed
2-3 cups shredded cabbage
1 bunch cilantro

Preheat grill to 350°. Whisk together minced garlic, 2 tablespoons extra-virgin olive oil, juice of 1 lime and Spike seasoning in a large shallow dish. Add fish, turning to coat and let marinate for 5 minutes.

To make sauce: In food processor, combine garlic, yogurt, 1 tablespoon extra-virgin olive oil, juice of 1 lime, chipotle peppers and sea salt to taste.

Grill fish for 3 to 4 minutes on each side or just until fish begins to flake and is opaque in center. Cool 5 minutes. Flake fish into bite-size pieces. Place small pieces of grilled fish on warmed corn tortilla and top with chipotle yogurt sauce, cabbage and fresh cilantro to serve.
