GUIDELINES

- Scarecrows must be easily carried by two people, weigh less than 50 lbs. and must be freestanding – it cannot rely on being secured into the ground. Scarecrows will be secured by ABG staff but will not be dug or staked.
- You will not be allowed to set up your scarecrow in the Garden or choose the location. You can set up at the drop off point to show assembly. It is helpful if a photograph of the assembled scarecrow (enclosed in a plastic bag) is included with your entry.
- Bring enough people to unload your scarecrow at drop-off and to load it. Volunteers assist at drop off and pick-up, but they cannot carry things for you.
- Do not include live plant material or real pumpkins in your display. Hay is acceptable.
- Make your entry durable and weather proof. Any scarecrow that deteriorates to an unacceptable level during the month will be removed.
- Entry must be suitable for viewing by children. Entries in poor taste for family viewing, depicting controversial subjects, or overtly commercial or political in nature will not be accepted. Do not include your business logo, hashtags, or websites unless you are registered in the business category.
- The Garden provides signage identifying your organization and the name of your scarecrow. The Garden does not allow additional signage, pamphlets or handouts to be displayed with your scarecrow.
- The Garden is not responsible for loss/damage. Do not include material you expect to be returned.

The Garden reserves the right to refuse any entry.
