

Plants in the Garden's amphibian displays

MADAGASCAR

Begonia lyallii
Begonia majungaensis
Begonia mananjebensis
Dypsis minuta (smallest palm in the world)
Medinilla sedifolia
Nepenthes madagascariensis
Sansevieria sambiranensis
Oeceoclades spathulifera
Amorphophallus ankarana
Asplenium stoloniferum

ECUADOR

Anthurium arisaemoides
Anthurium flavolineatum
Christensonella juergensii
Columnea minor
Columnea gloriosa
Elaphoglossum peltatum
Elaphoglossum sp.
Epidendrum porpax
Dracula lotax
Drymonia chiribogana
Gloxinella lindeniana
Guzmania lingulata
Guzmanis remyi
Lepanthes calodictyon
Lepanthes tentaculata
Marcgravia morona 'Santiago Copper'
Masdevalia minuta
Pearcea abunda
Pearcea hypocyrtiflora
Pleopeltis percussa
Peperomia antoniana
Pleurothallis grobyi
Selaginella sericea
Solanum sp. 'Ecuador'
Tillandsia cyanea

COLOMBIA

Guzmania conifera
Guzmania lellingeri
Monstera siltepecama
Nautilocalyx erythranthus
Peperomia metallica
Philodendron brandtianum
Philodendron fibrosum 'Red'
Philodendron melanochrysum
Philodendron patriciae
Philodendron rubrijuvenile
Philodendron serpens
Spathyphylum patinii
Vriesia sp.
Pitcairnia sanguinea
Blechnum brasiliense

PANAMA

Anthurium amincola
Anthurium clidemioides
Anthurium cutucuensis
Anthurium crystallinum
Anthurium dressleri
Anthurium papillilaminum
Anthrium sp.
Anthurium wendlingeri
Dicranopygium aff. Sp.
Ficus sp. 'Panama'
Guzmania musaica
Helanthisium tenelum
Lobelia cardinalis
Microgramma reptans
Microgramma lycopodioides
Monstera dubia
Peperomia emarginella
Piper parmatum
Philodendron verrucosum
Syngonium rayii
